

Step 1

Contact Aerochemicals coordinator and provide a presentation of your company.

A member or the President of the Alliance invites you to join the **Annual General Meeting** as a new candidate.

Step 2

Submit your application to Alliance members during the **Annual General Meeting**.

Your application should include, but not be limited to:

- Your activity
- Your expectations from the Alliance
- What you can contribute to the Alliance

Step 3

Alliance members review your application and vote during the **Annual General Meeting**.

Step 4

Once your membership is validated by the Alliance, a **Declaration Letter** is to be signed before the end of the same year.

Step 5

An invoice covering membership fees for the following year (starting in January) will be sent.

1st Year Membership Fee

The Membership fee is set by Alliance members and may be revised each year.

Year 1 Membership Fee - 10 000€ (Subsequent Years - 5000€)

Use

- 50% will be used to organize an event in your area with other members of the alliance.
 - Example: A dinner or booth at an MRO or other major OEM show, organization of an outing for key customers, etc.
 - The remaining 50% will be used to cover the Alliance running costs.
